

Monthly Meeting  
April 17, 2018 at 6:30pm  
Lakeview Community Library

**Attendees:** Carrie Rydzewski, Michelle Frankie, Katie Baumann, Jaime Utecht

**Notes:**

**Treasurer Report:** Jaime distributed Treasurer's Report and went over the numbers with the group. Carrie noted that we will not be utilized for Character Education Week or Red Ribbon Week this year.

**Request for Funds:** Lee Itson submitted a request for \$260 to help lower the cost of a trip for the Lego League and Math Team kids to attend a Robotics Programming Class being held at Discovery World in September of 2018. This will help educate the kids on programming and hopefully generate more interest in the 2 non-athletic middle school clubs. This request was approved for \$260.

**Daddy Daughter Dance:** We have 7 volunteers and a photographer, and we have a new DJ booked. Katie and Michelle went around to the classrooms today to generate interest. This year they opened it up to anyone (not just a Dad) can bring the daughter. Michelle suggested maybe we just do an elementary dance next year since there seemed to be quite a few boys that wanted to attend the dance. We still need setup volunteers, setup is from 9am to 2pm please sign up on the Sign Up Genius:

<http://www.signupgenius.com/go/4090c4caead2ba6fd0-daddy>

**Teacher Appreciation Week** - The theme this year is destination appreciation. Holly Ternes is coordinating. She will set up an appreciation station in the teachers' lounges with little paper bags that look like little suitcases filled with cute things. She will ask Carol and Mirriam to send out emails reminding parents and students that May 8th is teacher appreciation day. She has scheduled a lunch to be served on Wednesday, May 9th. She plans to bring in lunch and drinks and ask for parents to bring in desserts from around the world. She has travel themed invitations and decorations for the lunch room to go with the theme.

**Administrative Professional's Day** - Holly Ternes is coordinating this. She will pick up chamber dollars and cards for Mirriam, Carol, and Janet -- they will be for \$25 each with a cute thank you card and deliver them on Wednesday, April 25th.

**Random Lake Acts of Kindness**: Carrie encouraged attendees to help us get the ball rolling on the hashtag and share any acts of kindness you might do no matter how big or small. Snap a picture and post it on instagram or facebook #RLACK

**Fun Fair**: Planning is going well, if you are interested in updated details of the event, it is posted in the meeting notes file on the Google Drive. Jaime is having Family Literacy Night the night before Fun Fair and will setup a table for F.O.R. Kids to advertise the Fun Fair, and to collect guessing jars and cakes, items for prize table, or if we need last minute volunteers.

**Color Run Meeting**: There is a Color Run Meeting on Monday, April 23 at 4:15pm in Mrs. Dahm's Kindergarten classroom, anyone is welcome and encouraged to attend.

**Library**: The group agreed to donate \$50 to the library to say thank you for letting us meet here.

**Social Media Event**: Lisa Masslich and Carrie are coordinating a Social Media / Prevention Education Event to teach kids how to stay safe online. Classes will be taught topics per schedule below May 14. There will be a parent presentation at 6:30pm on same date. We are working on flyers and offering finger foods, possibly raffle baskets to boost attendance. This is being presented by Ozaukee Family Services which does this program for many schools in the area.

- 10 -10:45 Protective Behavior 5th grade
- 10:55 - 11:40 Internet Safety 6th grade
- 12:30 - 1:15 Internet Safety 7th Grade
- 1:25 - 2:10 Social Media 8th grade
- Parent presentation on Monday, May 14 at 6:30-7:30

**Volunteer Appreciation Party**: The group discussed if we should do a volunteer appreciation party at the end of the school year for anyone who has served on a committee this year. It was unanimous that there was interest in this, maybe a pizza party.

Our next meeting will be Tuesday, May 15 (our last meeting of the school year) at 6:30pm at the Lakeview Community Library.
